DJS Dairy
Dairy management app

SETTINGS & DATA

Dark mode for evening collection

Light, Dark, or like your phone. Every screen follows it; printed bills and shared PDFs stay light.

Light
The default

Dark
Easy at night

System
Like your phone

Every screen
Follows it

Prints stay light
Bills and PDFs

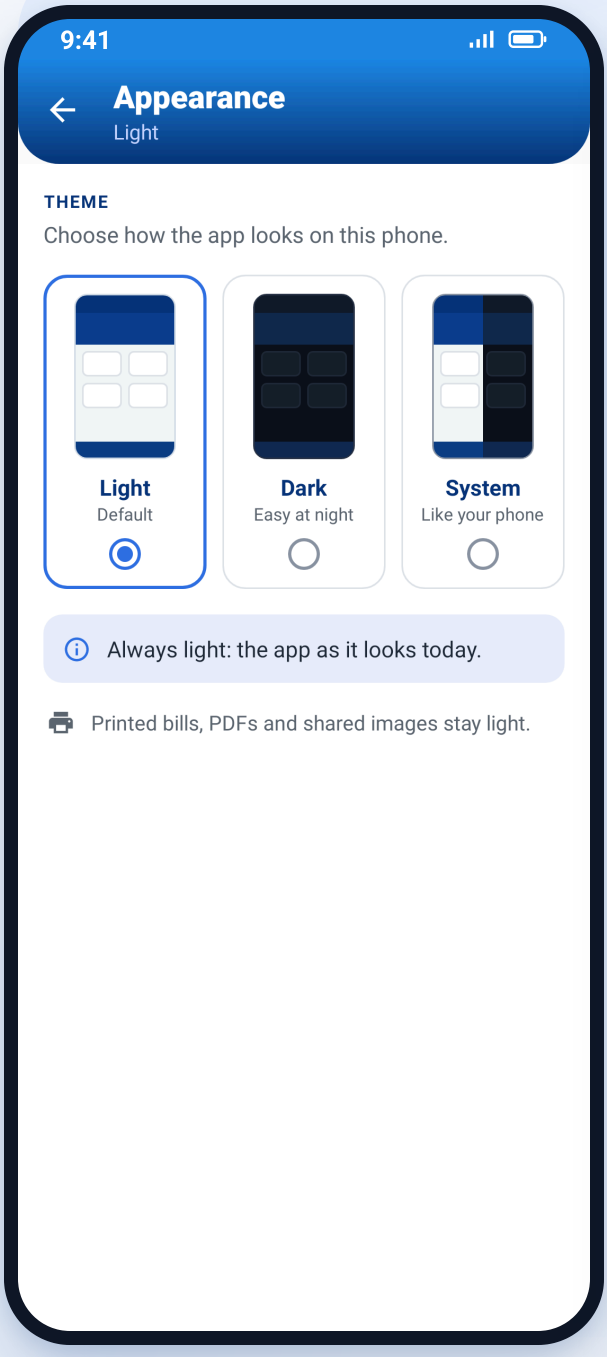

This phone
Each phone its own

STEP 1 · CHOOSE

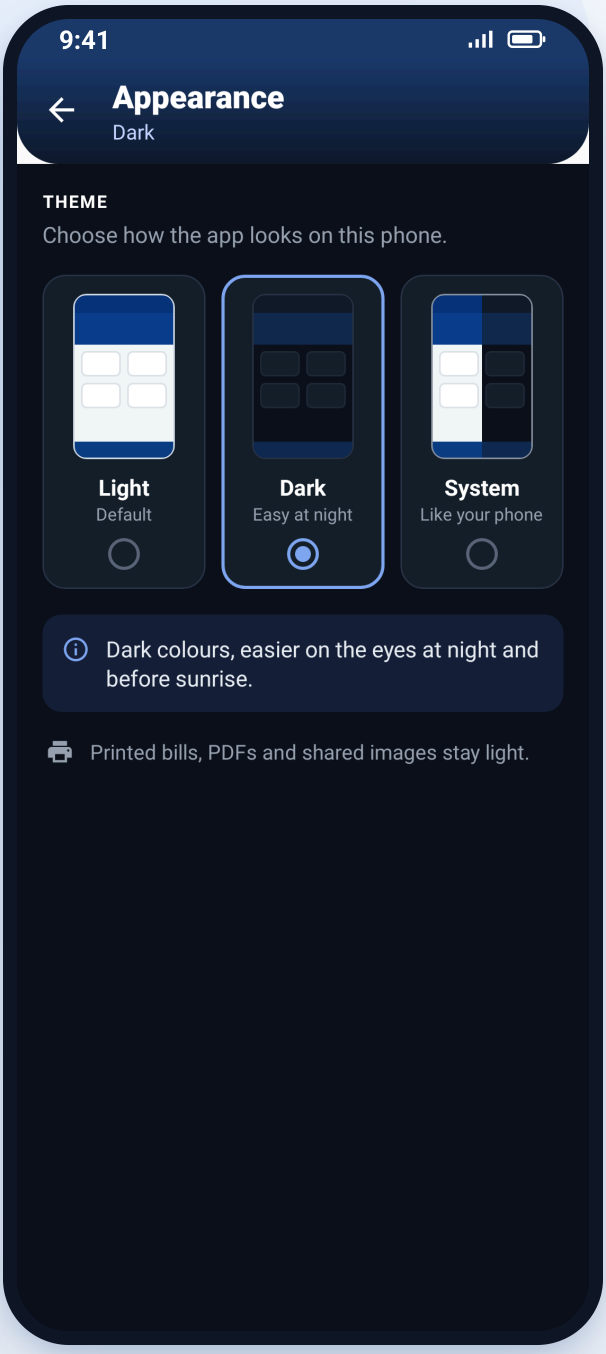

Light, Dark or System

Settings › Appearance. Tap a card; this screen changes at once, the others when you open them.

Light

Dark

Light
The default.

Dark
Easy on the eyes at night.

System
Follows your phone's dark mode.

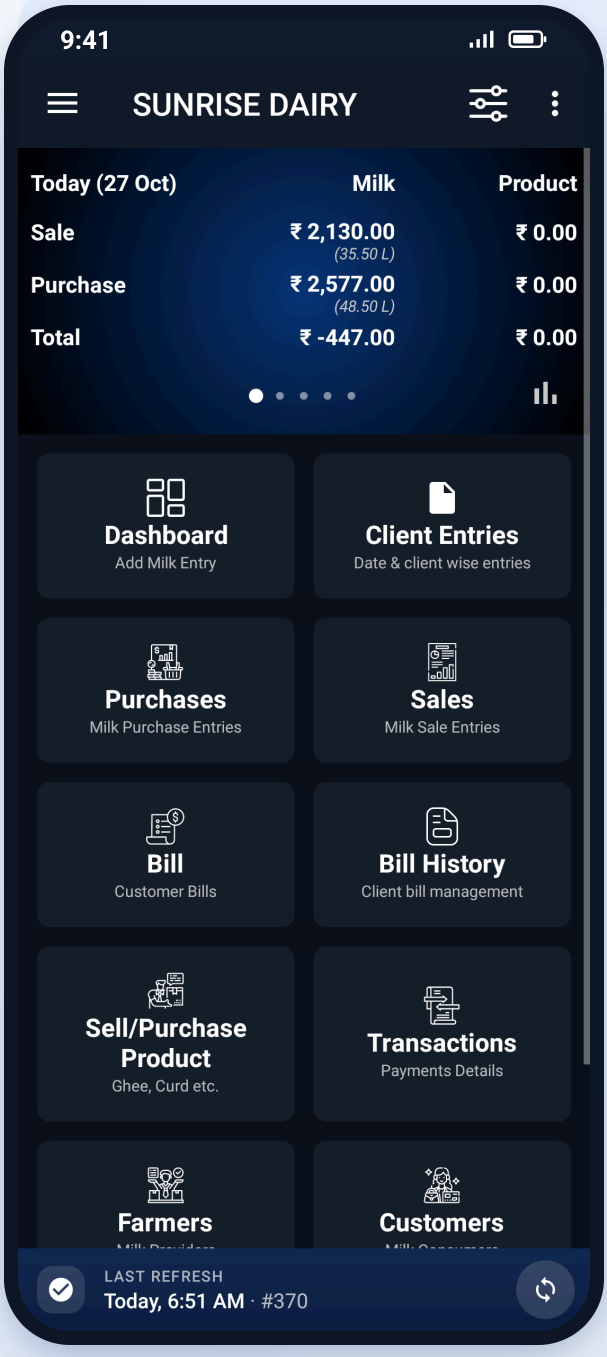

Where: Settings › Appearance

EVERY SCREEN

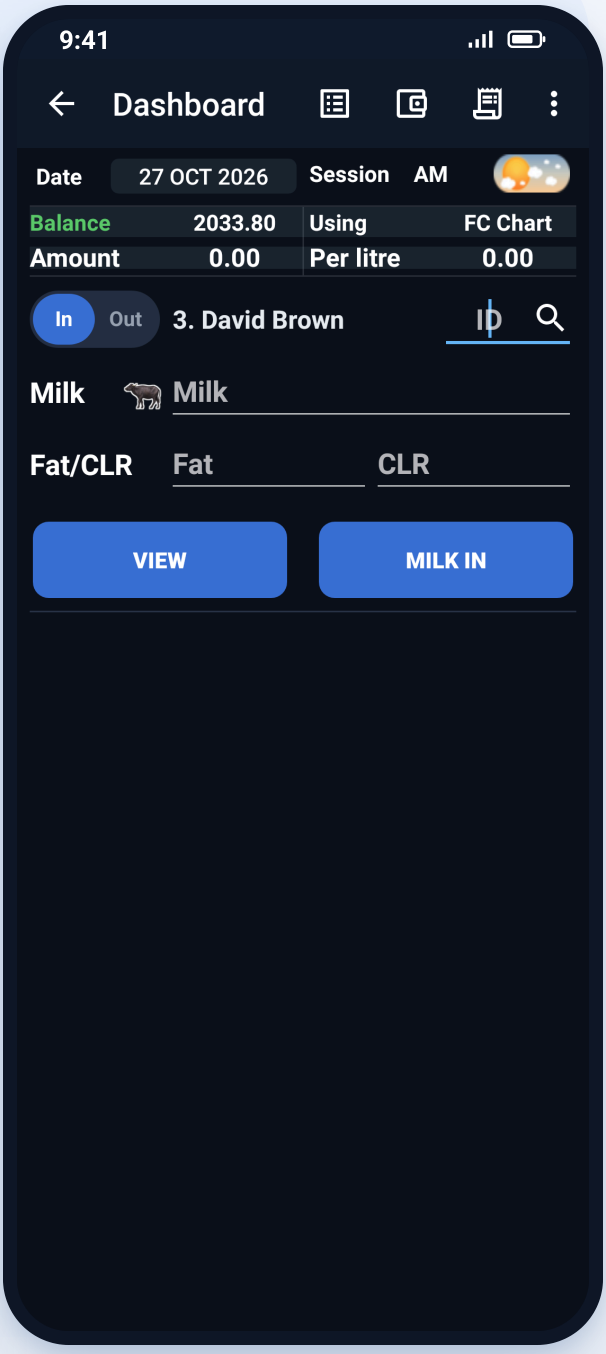

The whole app goes dark

Home, Dashboard, bills and reports all follow it. What you print or share stays light.

Home

Dashboard

Prints stay light

Bills, PDFs and shared images.

This phone only

Each phone keeps its own choice.

No restart

It changes as you go.

Where: Settings › Appearance › Dark

Dark mode in 2 taps

Settings › Appearance › Dark. Change it back any time.
