EXPENSES & PROFIT

Expenses: what the dairy spends

Salary, electricity, diesel, repairs. Write each one in a few seconds, see where the money went, and Profit & Loss shows the real profit.

10 kinds ready
Salary, electricity...

A few seconds
Amount, what for

Staff salaries
What is left to pay

Where it went
By kind

Any months
Or a whole year

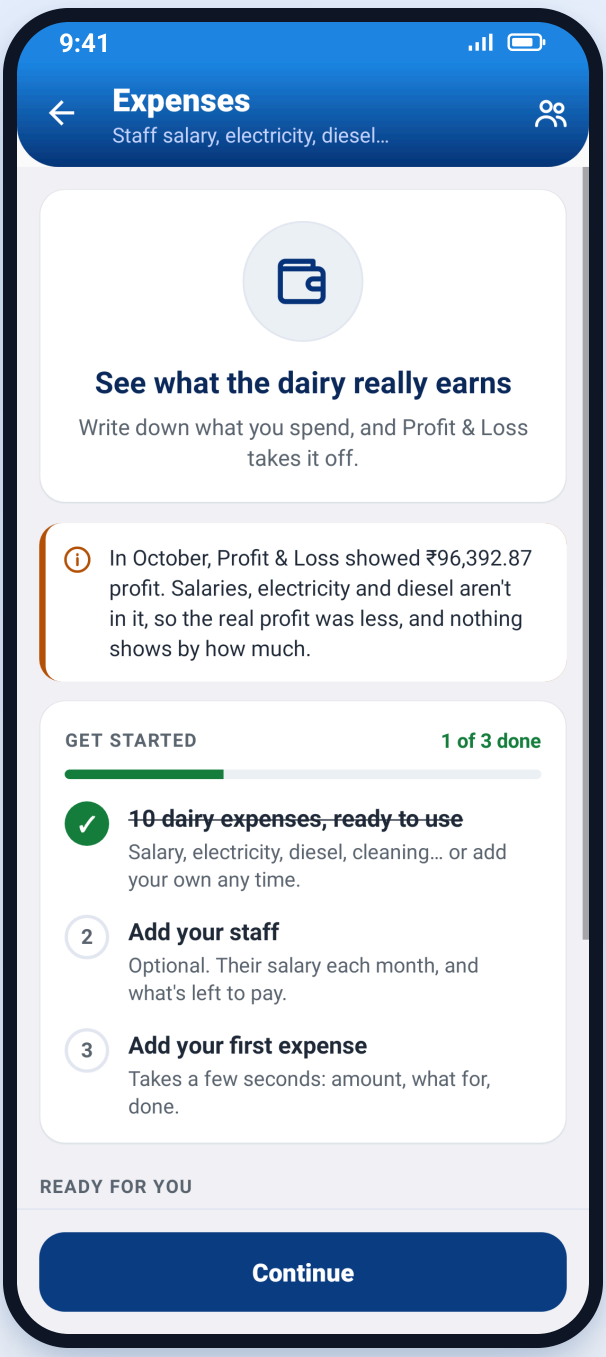

In Profit & Loss
Taken off the profit

STEP 1 · START

Three steps to get started

Side menu › Expenses. The first time shows three steps: 10 dairy expenses are ready, add your staff (optional), then your first expense.

Expenses

1 of 3 done
The ten kinds are ready for you.

Add your staff
Optional: salaries and what is left to pay.

Owner only
Staff logins don't see Expenses.

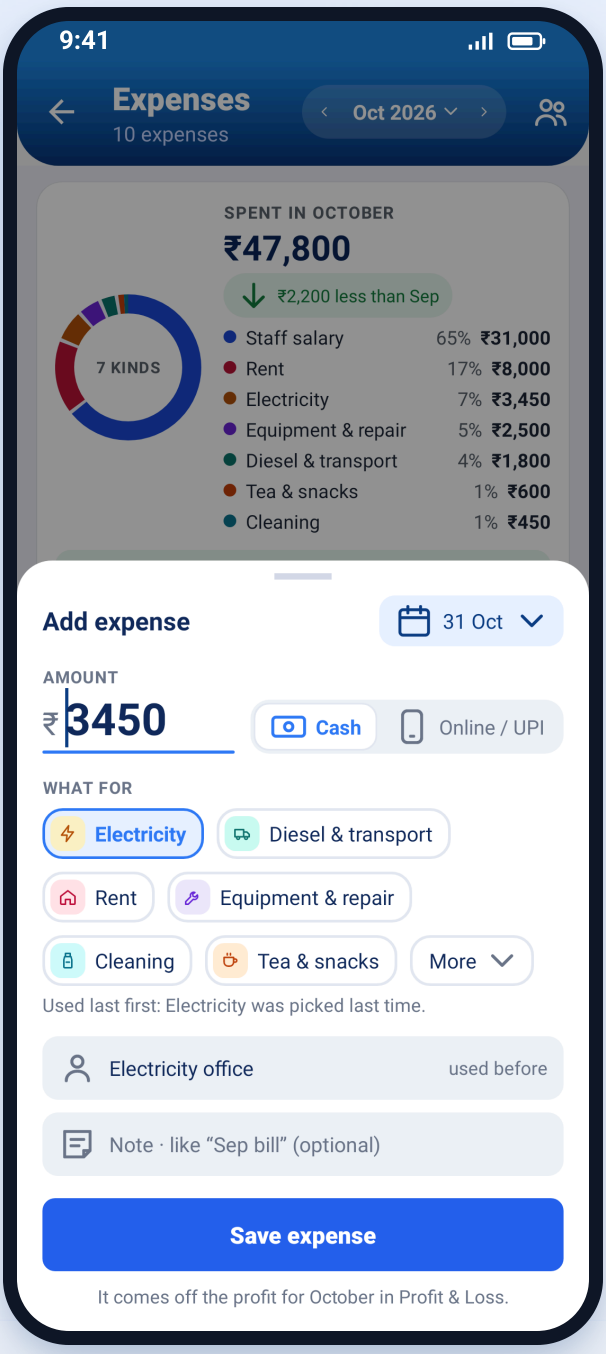

Where: Side menu › Expenses

STEP 2 · ADD

Amount, what for, done

Add expense: type the amount and pick what it was for. Who you paid and a note are optional. Then Save expense.

Add expense

Date

Today at first. Tap it for another day.

What for

The kind you used last comes first. More › New kind… adds your own.

Paid by

Cash or Online / UPI.

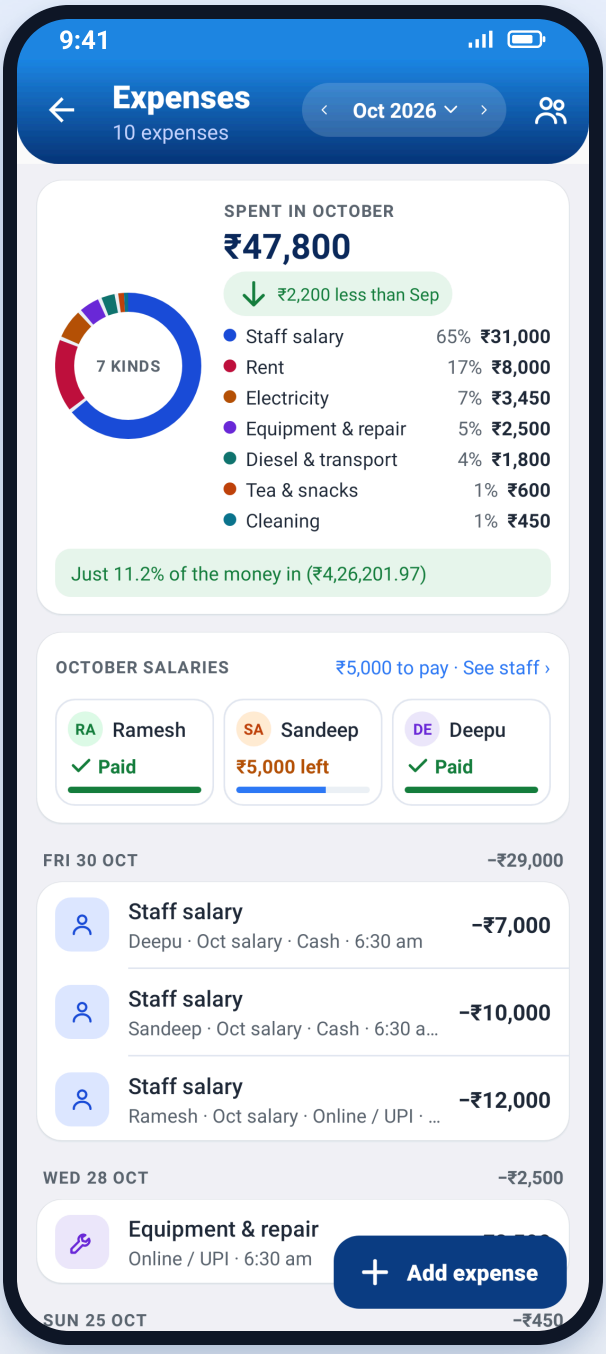

Where: Expenses › Add expense

STEP 3 · SEE

Where the money went

The month's total next to the money that came in, a ring by kind, the staff salaries, then every expense day by day.

A month

By kind

The ring shows each kind's share.

Salaries

Who is paid and what is left; tap a row to pay.

Tap an expense

Change it, or Delete.

Where: **Expenses**

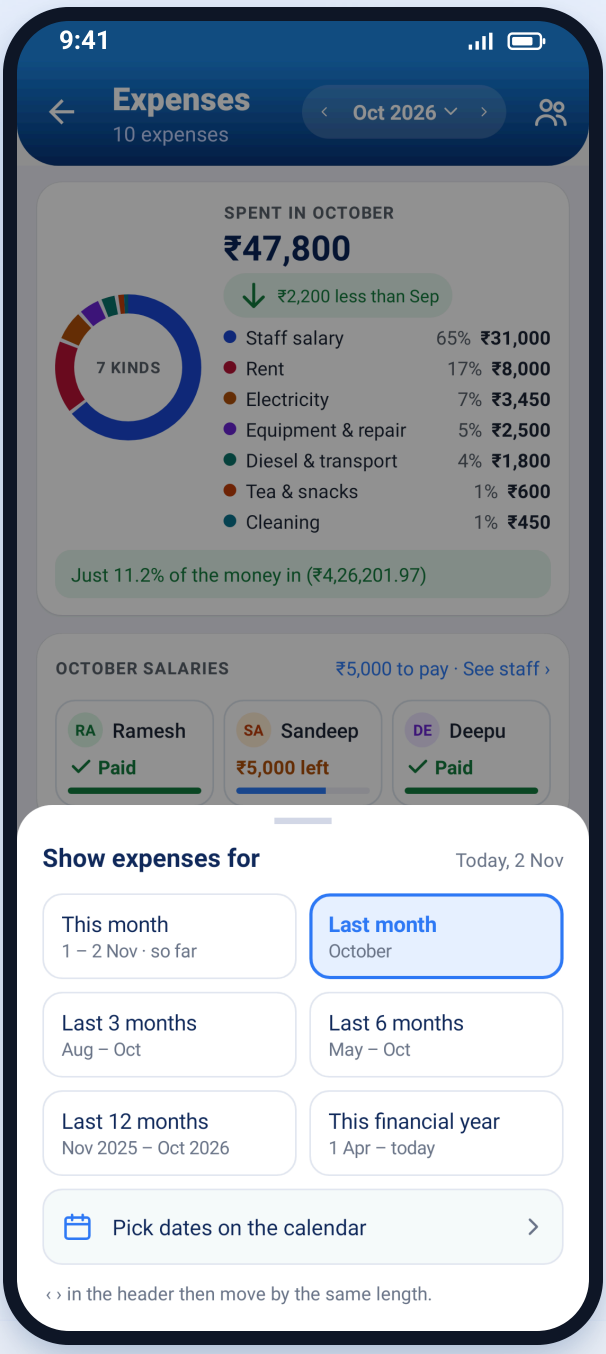

ANY DATES

Any months, or a whole year

Tap the month at the top: this or last month, the last 3, 6 or 12 months, this financial year, or dates on the calendar.

Show expenses for

‹ ›

Move by the same length: month by month, or 3 months at a time.

Grouped by month

For more than one month.

Profit & Loss

The same dates open from there.

Where: Expenses › The month at the top

Expenses in 3 steps

Add expense, type the amount, pick what for. Profit & Loss takes it off.

1. Side menu › Expenses
2. Add expense: amount and what for
3. Save expense

GOOD TO KNOW

Profit & Loss
Side menu › Profit & Loss shows profit after expenses.

Not expenses
Money paid to farmers is not an expense: it's in their bill.

Staff and salaries
Its own guide: add staff, pay salary or advance.

Thank you for running your dairy with DJS Dairy.
