DJS Dairy
Dairy management app

SETTINGS & DATA

Settings: find anything, change it once

Every setting in one place, with search. Language, date format and currency for the whole dairy, and tools to import, export or adjust your rate chart.

Search
Any setting

Language
8 languages

Date and ₹
Format and symbol

Fingerprint lock
When the app opens

Rate chart
Import or export

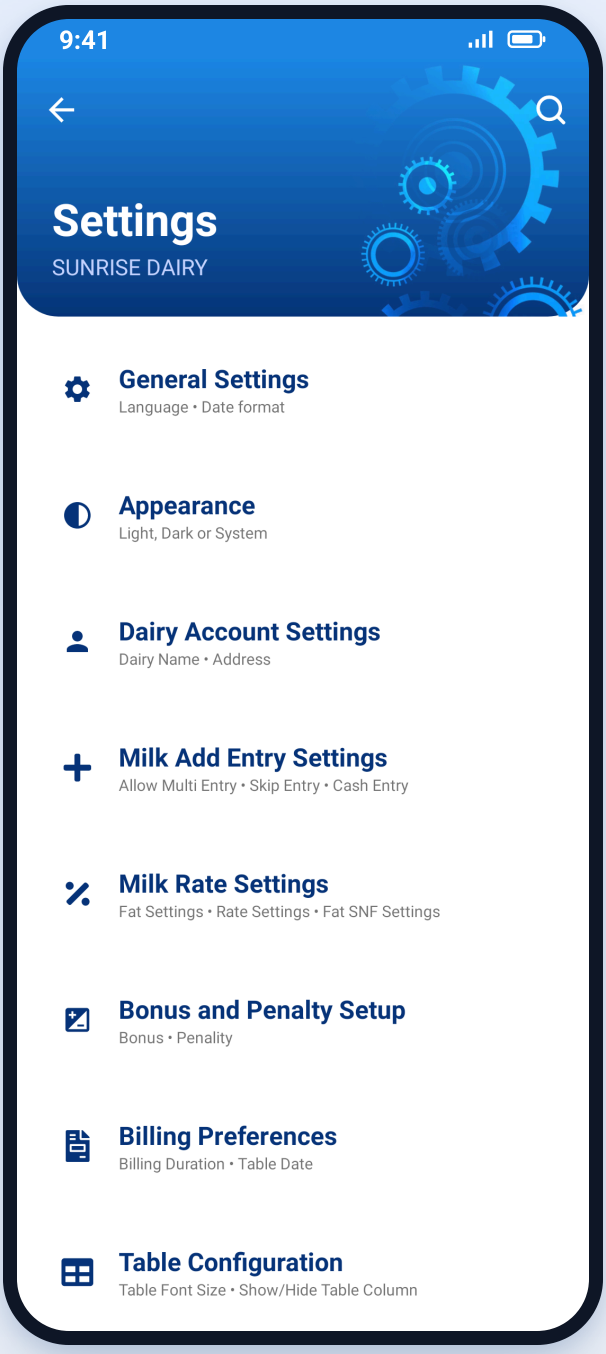

Adjust rates
All at once

SETTINGS

Every setting in one place

Side menu › Settings. The cards are grouped; the search icon at the top finds any setting by name.

Settings

Search
Type a word, like "printer" or "bonus".

Shared
Most settings reach your other phones.

Staff
Need the settings permission.

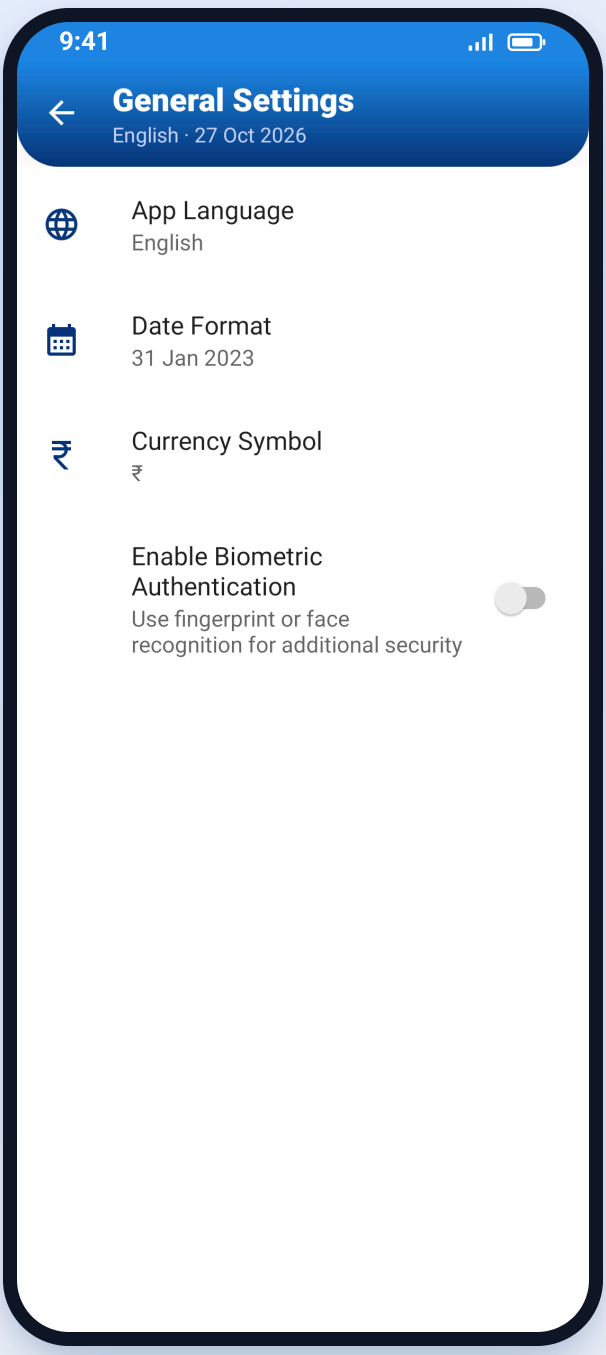

Where: Side menu › Settings

GENERAL SETTINGS

Language, date and currency

Settings › General Settings: the app's language, how dates look, the currency symbol, and the fingerprint lock.

● General Settings

App Language

After a change, the app restarts.

Date Format

Like 31-01-2026 or 31 Jan 2026.

Biometric lock

Asks for your fingerprint or face when the app opens.

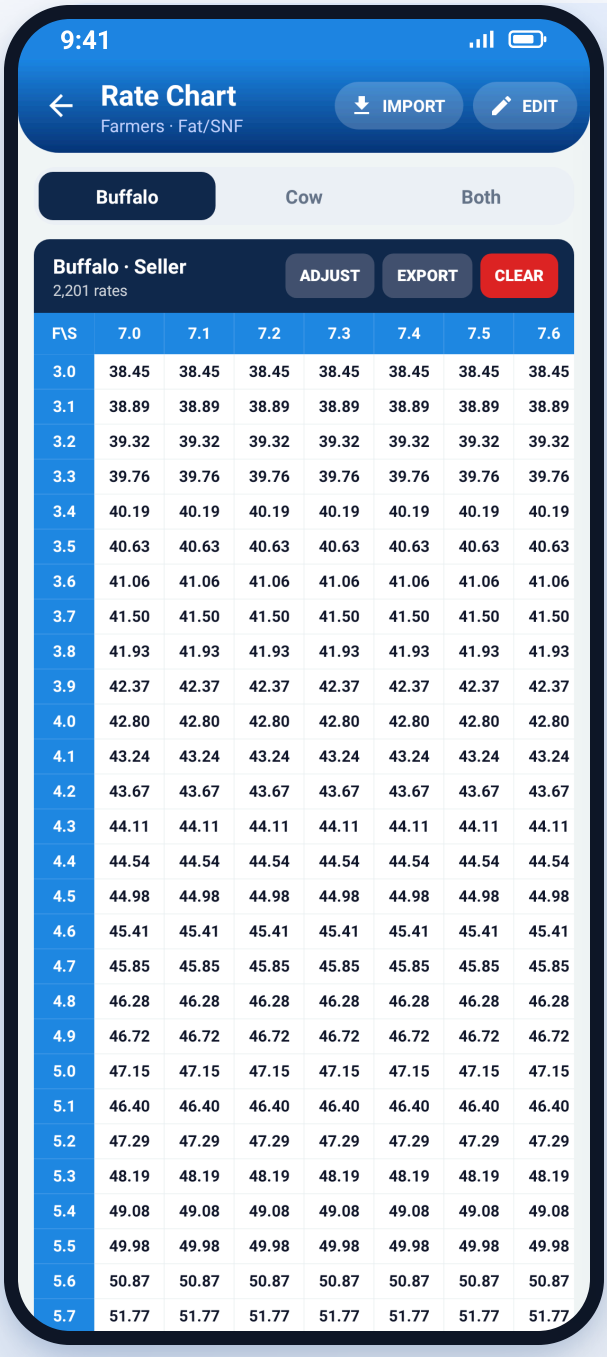

Where: Settings › General Settings

RATE CHART TOOLS

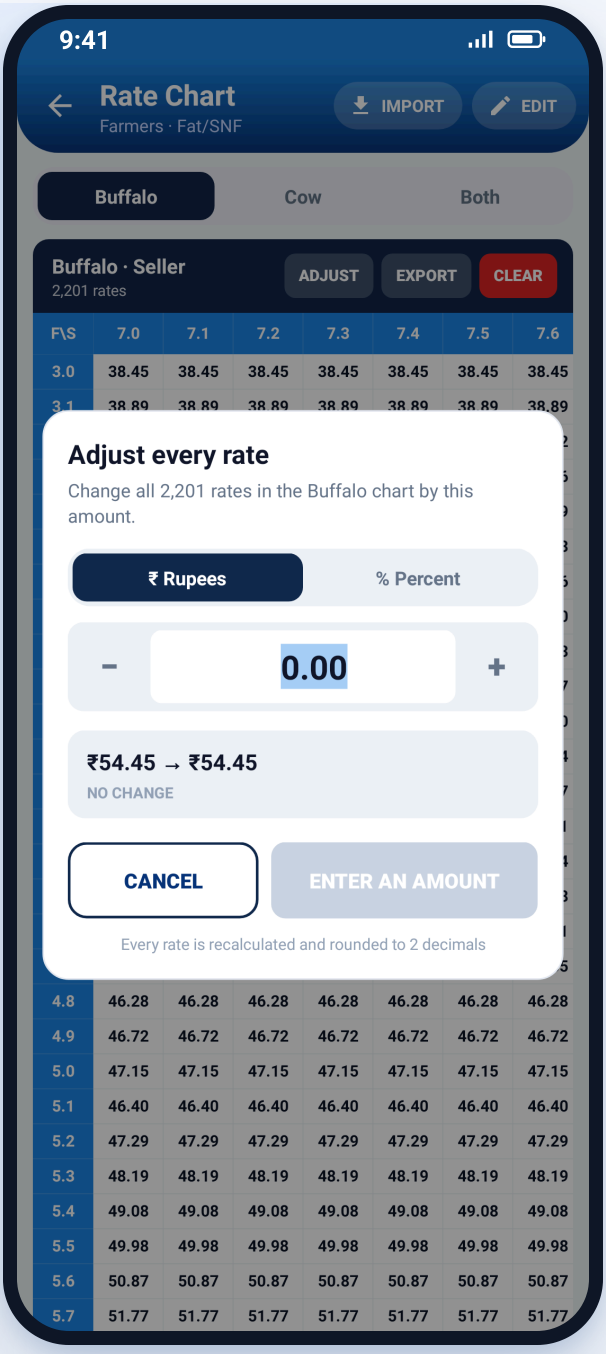

Import, export or adjust a rate chart

Settings › Milk Rate Settings › Fat & SNF (or Fat & CLR).
Import an Excel file, export it, or raise every rate at once.

● Rate Chart

● Adjust

Import

An .xls or .xlsx file; you check the rates before saving. Needs internet.

Export

An Excel file to share or keep.

Adjust

Every rate up or down by ₹ or %. It can't be undone.

Where: **Settings** › **Milk Rate Settings** › **Fat & SNF**

Settings in 3 steps

Open Settings, search or pick a card, change it. It reaches every phone of your dairy.

1. Side menu › Settings
2. Search, or pick a card
3. Change it
