STEP 1 · OVERVIEW

Profit or loss, at a glance

Side menu › Profit & Loss. The Overview shows the profit, how much was kept from every ₹100 that came in, and milk, products and expenses.

● Overview

Profit or Loss

Green for profit, red for loss.

Open ›

Each tile opens its part: Expenses, Products…

Month by month

For more than one month: tap a bar to open it.

Where: Side menu › Profit & Loss

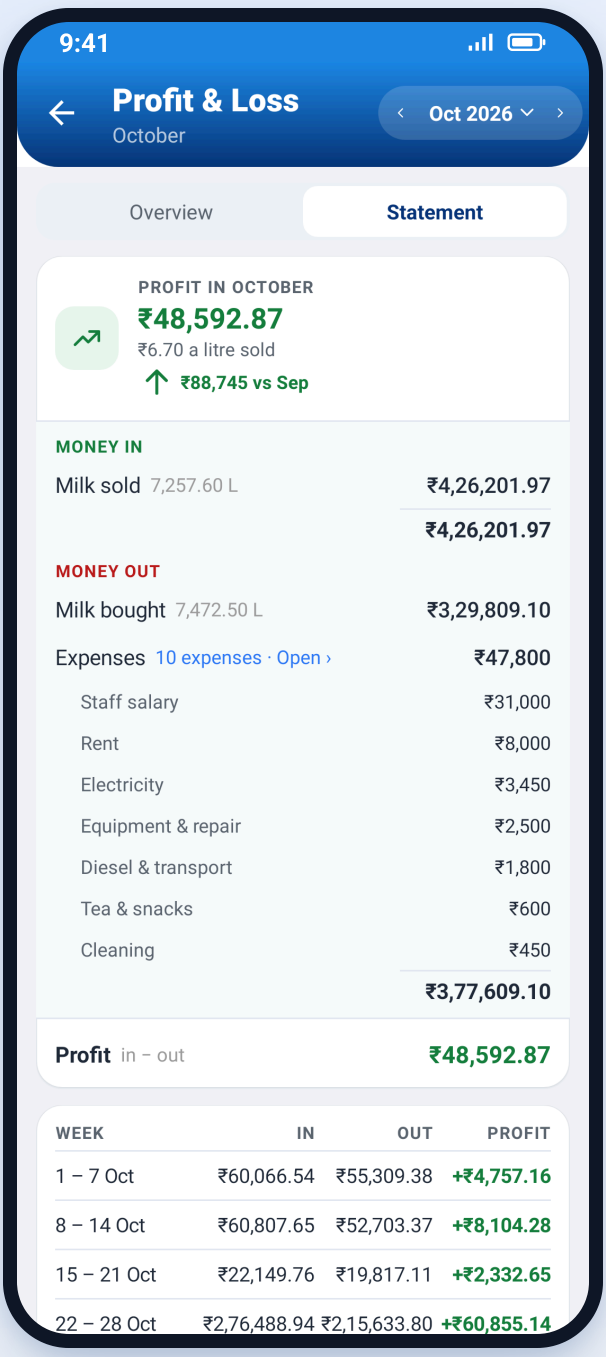

STEP 2 · STATEMENT

Every line that makes it

Statement lists money in and money out: milk sold and bought with litres, products sold and bought, and each kind of expense.

Statement

Milk

Litres and amount, sold and bought.

Products

Cash paid on the spot is not counted twice.

Day by day

Money in against money out, with the best and lowest.

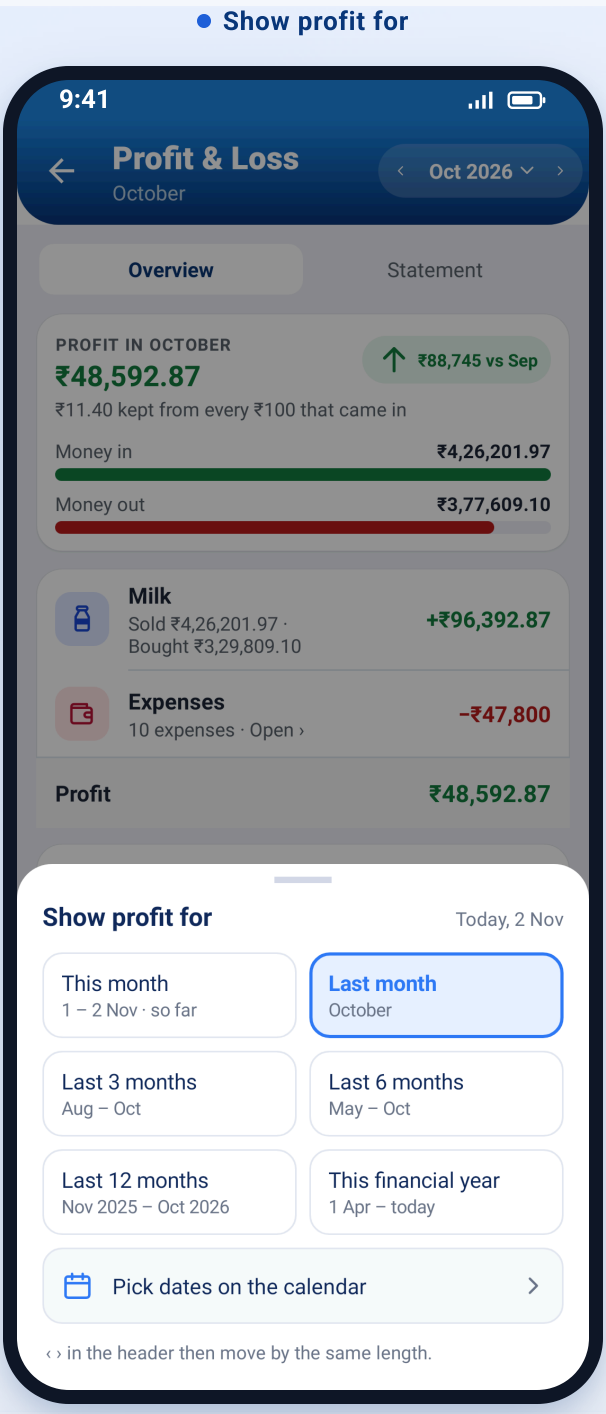

Where: **Profit & Loss** › **Statement**

STEP 3 · DATES

Any month, or a whole year

Tap the dates at the top: this or last month, the last 3, 6 or 12 months, this financial year, or dates on the calendar.

This month at first

So far, up to today.

‹ ›

Move by the same length.

Expenses

Opens on the same dates.

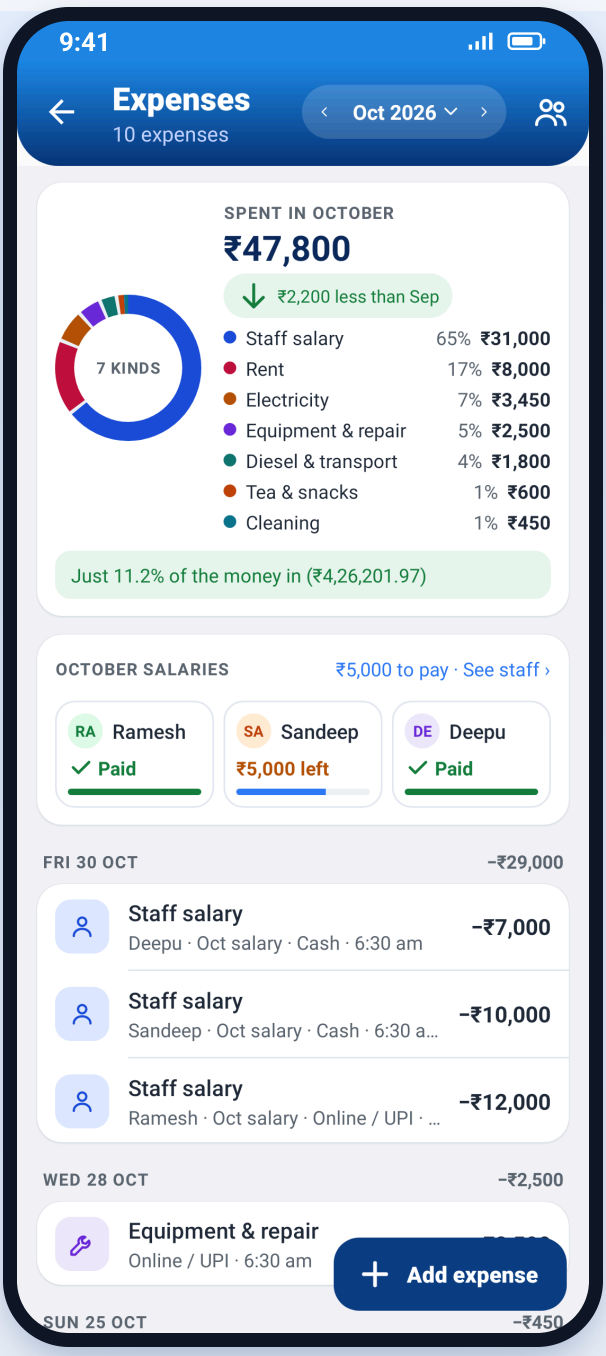

Where: Profit & Loss › The dates at the top

EXPENSES

Write expenses for the real profit

Without expenses, profit is only milk and products. Write salaries, electricity and diesel in Expenses, just above in the side menu.

Expenses

Add ›

On the Expenses tile when there are none.

Salaries

Come off the profit as they are paid.

Payments don't count

Money paid to farmers is not an expense.

Where: Side menu › Expenses

Profit in 3 steps

Write your expenses, open Profit & Loss, pick the dates.

1. Side menu › Expenses: write what you spend
2. Side menu › Profit & Loss
3. Overview or Statement, any dates
